TOURNAMENT RULES, POLICIES & RELEASES

All participating boats must have completed and signed registration forms with full payments on file prior to the event. There are three divisions for this tournament:

Recreational • Professional/Commercial • Party

The Grand Prize \$8,000 will be awarded to the winner of the Recreational Division. Charter and Party Boat Divisions will compete for separate prizes within their respective division. Recreational will compete for the largest fish caught in each species: Fluke, Sea Bass, Porgy and Bluefish. In order to qualify for the Grand Slam prize, participants must catch all four species of fish. Points per pound will be awarded for each species and fish must be of legal size.

The tournament will commence at 5:00 am and conclude at 6:00 pm Saturday and 3:00 pm Sunday. All fish from all boats will be weighed-in each day until the deadline at Uihlein's Marina, West Lake Drive, Montauk Harbor. Winning fish must be gutted after weigh-in in order to check for foreign objects. A participant may combine catches from both days. All fish must be weighed in on the day they are caught. Any fish altered or any participant weighing in a fish other than the day it is caught will result in the participant's disqualification, forfeiture of entry fees and refusal to be entered into future Grand Slam tournaments.

These rules will apply.

Entrants must not be a licensed Charter Boat or Party Boat Captain active within the last 3 years. Nor can they be a Commercial Fisherman holding a Commercial Fluke License. You may NOT hold a Food Fish License and/or pot Sea Bass. If it is found out that you are not a recreational fisherman you will not be eligible to win the Grand Slam, or any of its prizes.

There will be individual prizes awarded. Please refer to www.mtkmercurygrandslam.com or call 631-668-3799 for prize details. IGFA rules apply to this event with the exception of wire line. Tournament rules are subject to change and any changes will be posted prior to launch. Cancellation of paid participants will result in forfeiture of entry fees if notice is not received by July 13, 2024.

All prizes will be awarded at the conclusion of the tournament, after all weigh-ins on Sunday, July 21, 2024. In signing the application, you agree to and will abide by the rules set forth herein. You hereby release and will forever hold harmless this event's organizers, sponsors, advertisers, agents and volunteers. The event will be held weather permitting.

In the event of foul weather it will be the decision of the tournament organizers to postpone one or both days of the event. If both days of the event are postponed the event will be rescheduled for Saturday, July 27 and Sunday, July 28, 2024.
